 JAMIE BELL
 & JIM BROADBENT

DK Filth samler nogle af Storbritanniens bedste skuespillere – James McAvoy, Imogen Poots, Jim Broadbent og Jamie Bell – i filmatiseringen af Irvin "Trainspotting" Welschs hyldede roman af samme navn.

Bruce Robertson er en racistisk, kvindehadende og bipolar politimand. Han finder sig selv stående over for en mulig fremfælse, som han er villig til at gøre alt for at score og selvom han står midt i en mordsag, beslutter han sig for at sabotere sine kollegaers chancer for at lande forfremmelsen.

SE Filth samler Storbritanniens hetaste skuespillere – James McAvoy, Imogen Poots, Jim Broadbent og Jamie Bell – i filmatiseringen af Irvin "Trainspotting" Welschs hyldede roman med samme navn.
